Submission of a report

There are two options for submitting the report:

- filling in the form in the DAC7 application in the e-services environment e-MTA. The instructions for filling in the form can be found on the web page **"Teenuste tehniline info"** ("Technical information of services").

- uploading the report with an XML file, the instructions for creating and technical specifications of which can be found on the web page **"Teenuste tehniline info"** ("Technical information of services").
